Property Description

Perched on a hill in a mesmerizing setting, Wild Jasmine is comprised of 2 private villas, separated by lush landscaping and swimming pool. Every room has panoramic views of the ocean, mountains and sunsets, which many say are the most amazing they have ever seen. Both villas are well maintained, freshly painted inside and out. Both roofs are new. Appliances are stainless steel and newer. Located in upscale & secluded Privateer Estates, you will have deeded access to 2 of the most picturesque beaches on St. John. Both are within easy walking distance and are semi-private. Often you will be the only ones on the beach.
